Pearson Course Content - Prentice Hall

Mastering Chemistry is the teaching and learning platform that empowers you to reach every student. When combined with educational content written by respected scholars across the curriculum, Mastering Chemistry helps deliver the learning outcomes that students and instructors aspire to.

Mastering Chemistry | Pearson

The main purpose of the book is to help you learn chemistry. However, the book is also linked to two other goals: to show how important and interesting the subject is and to show how to think like a chemist. To solve complicated problems, the chemist uses logic, trial and error, intuition, and, above all, patience.
